

PARIS TO PITTSBURGH

Monday **JULY 22** 6:30PM at the
Mascoma Valley Regional High School Community Auditorium

a film about local and state governments working toward productive ways to combat climate change, in spite of the federal government working counter to these efforts.

There will be a panel and Q&A afterward including
Kim Quirk, *Energy Emporium, Enfield Energy Committee*
Chuck Townsend, *Canaan Energy Committee*
Charlie DePuy, *Enfield Energy Committee*
Judith Colla, *local Sierra Club*
Catherine Corkery, *New Hampshire Sierra Club*

sponsored by the Upper Valley Dems
in conjunction with the Sierra Club and local energy committees
this screening is free and open to the public
